

CORE™ Chair

Our new CORE chair provides great support and helps patients stay relaxed for a positive dental experience. Featuring an extremely strong baseplate and stable footprint, the CORE Chair situates patients in an ideal position with a durable hydraulic lift cylinder. The chair is quiet yet powerful with smooth operation. Features include:

- Hydraulic cantilever mechanism
- Heavy duty cast iron chair frame
- Aluminum casting chair back, base, armrest, and headrest
- Emergency shut-down control
- Double articulating headrest that adjusts easily to fit the patient (See Figure A)
- Flip down armrests for easy patient access (See Figure B)
- Optional touch pad control with four programmable preset positions (See Figure B)
- Standard Naugahyde and NaugaSoft upholstery with wide back
- 30-degree swivel rotation with lock (See Figure C)
- Optional foot control with programmable preset positions (See Figure D)
- Optional upgrade of Ultraleather upholstery
